

### 33. NOTICE OF OUTCOME

Using the deliberation statement, the Title IX Coordinator will work with the Chair to prepare a Notice of Outcome letter. The Title IX Coordinator will then share the letter, which includes the final determination, rationale, and any applicable sanction(s), with the parties and their Advisors within five (5) business days of receiving the deliberation statement.

The Notice of Outcome will be shared with the parties simultaneously. Notification will be made in writing and may be delivered by one or more of the following methods: in person or emailed to the parties' School-issued email or otherwise approved account. Once emailed, and/or received in person, notice will be presumptively delivered.

The Notice of Outcome will articulate the specific alleged policy violation(s), including the relevant policy section(s), and will contain a description of the procedural steps taken by the School from the receipt of the misconduct report to the determination, including any and all notifications to the parties, interviews with parties and witnesses, site visits, methods used to obtain evidence, and hearings held.

The Notice of Outcome will specify the finding for each alleged policy violation; the findings of fact that support the determination; conclusions regarding the application of the relevant policy to the facts at issue; a statement of, and rationale for, the result of each allegation to the extent the School is permitted to share such information under state or federal law; any sanction(s) issued which the School is permitted to share according to state or federal law; and whether remedies will be provided to the Complainant to ensure access to the School's educational or employment program or activity.

The Notice of Outcome will also include information on when the results are considered final by the School, will note any changes to the outcome and/or sanction(s) that occur prior to finalization, and the relevant procedures and bases for appeal.

### 34. RIGHTS OF THE PARTIES (SEE APPENDIXB)

### 35. SANCTIONS

Factors considered when determining a sanction/responsive action may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination, harassment, and/or retaliation
- The need to remedy the effects of the discrimination, harassment, and/or retaliation on the Complainant and the community
- The impact on the parties
- Any other information deemed relevant by the Decision-Maker

The sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.

The sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed, by external authorities.

If it is later determined that a party or witness intentionally provided false or misleading information, that action could be grounds for re-opening a Grievance Process at any time, and/or referring that information to another process for resolution.

#### A. **Future Professional Sanctions**

The following are the common sanctions that may be imposed upon Future Professionals singly or in combination:

- *Coaching*: A formal statement that the conduct was unacceptable and a warning that further violation of any School policy, procedure, or directive will result in more severe sanctions/responsive actions.
- *Suspension*: Termination of Future Professional status for a definite period of time not to exceed two years and/or until specific criteria are met.
- *Termination*: Permanent termination of Future Professional status and revocation of rights to be on campus for any reason or to attend School-sponsored events.
- *Other Actions*: In addition to or in place of the above sanctions, the School may assign any other sanctions as deemed appropriate.

#### B. **Employee Sanctions/Responsive/Corrective Actions**

Responsive actions for an employee who has engaged in harassment, discrimination, and/or retaliation include:

- *Verbal or Written Warning*
- *Performance Improvement Plan/Management Process*
- *Enhanced Supervision, Observation, or Review*
- *Required Counseling*
- *Required Training or Education*
- *Probation*
- *Denial of Pay Increase/Pay Grade*
- *Loss of Oversight or Supervisory Responsibility*
- *Demotion*
- *Transfer*
- *Reassignment*
- *Assignment to New Supervisor*
- *Restriction of Stipends and/or Professional Development Resources*
- *Suspension/Administrative Leave with Pay*
- *Suspension/Administrative Leave without Pay*
- *Termination*
- *Other Actions*: In addition to or in place of the above sanctions/responsive actions, the School may assign any other responsive actions as deemed appropriate.

### 36. WITHDRAWAL OR RESIGNATION BEFORE COMPLAINT RESOLUTION

#### A. **Future Professionals**

Should a Respondent decide not to participate in the Grievance Process, the process proceeds absent their participation to a reasonable resolution. Should a Future Professional Respondent permanently withdraw from the School, the Grievance Process typically ends with a dismissal, as the School has lost primary disciplinary jurisdiction over the withdrawn Future Professional. However, the School may continue the Grievance Process when, at the discretion of the Title IX Coordinator, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

Regardless of whether the complaint is dismissed or pursued to completion of the Grievance Process, the School will continue to address and remedy any systemic issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation. The Future Professional who withdraws or leaves while the process is pending may not return to the School in any capacity. The appropriate School employees will be notified accordingly. Such exclusion applies to all School locations.

If the Future Professional Respondent only withdraws or takes a leave for a specified period of time (e.g., one semester or term), the Grievance Process may continue remotely and, if found in violation, that Future Professional is not permitted to return to the School unless and until all sanctions, if any, have been satisfied.

## **B. Employees**

Should an employee Respondent resign with unresolved allegations pending, the Grievance Process typically ends with dismissal, as the School has lost primary disciplinary jurisdiction over the resigned employee. However, the School may continue the Grievance Process when, at the discretion of the Title IX Coordinator, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

Regardless of whether the matter is dismissed or pursued to completion of the Grievance Process, the School will continue to address and remedy any systemic issues or concerns that contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

The employee who resigns with unresolved allegations pending is not eligible for academic admission or rehire with the School or any School location, and the records retained by the Title IX Coordinator will reflect that status.

All School responses to future inquiries regarding employment references for that individual will include that the former employee resigned during a pending disciplinary matter.

## **37. APPEALS**

Any party may submit a written request for appeal ("Request for Appeal") to the Title IX Coordinator within five (5) business days of the delivery of the Notice of Outcome.

A single Appeal Decision-Maker will Chair the appeal. No Appeal Decision-Maker will have been previously involved in the Grievance Process for the complaint, including in any dismissal appeal that may have been heard earlier in the process.

The Request for Appeal will be forwarded to the Appeal Chair or designee for consideration to determine whether the request meets the grounds for appeal (a Review for Standing). This review is not a review of the merits of the appeal, but solely a determination as to whether the request meets the grounds and is timely filed.

### **A. Grounds for Appeal**

Appeals are limited to the following grounds:

1. A procedural irregularity affected the outcome of the matter
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, which could affect the outcome of the matter
3. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter

If any of the grounds in the Request for Appeal do not meet the grounds in this Policy, that request will be denied by the Appeal Chair, and the parties and their Advisors will be notified in writing of the denial and the rationale.

If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the Appeal Chair will

notify all parties and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigator, and/or the original Decision-Maker.

All other parties and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigator and/ or the original Decision-Maker will be mailed, emailed, and/or provided a hard copy of the Request for Appeal with the approved grounds and then be given five (5) business days to submit a response to the portion of the appeal that was approved and involves them. All responses, if any, will be forwarded by the Appeal Chair to all parties for review and comment.

The non-appealing party (if any) may also choose to appeal at this time. If so, that will be reviewed to determine whether it meets the grounds in this Policy by the Appeal Chair and either denied or approved. If approved, it will be forwarded to the party who initially requested an appeal, the Title IX Coordinator, and the Investigator and/or original Decision-Maker, as necessary, who will submit their responses, if any, within five (5) business days. Any such responses will be circulated for review and comment by all parties. If not approved, the parties will be notified accordingly, in writing.

Neither party may submit any new requests for appeal after this time period. The Appeal Chair will collect any additional information needed and all documentation regarding the approved grounds for appeal, and the subsequent responses will be shared with the Appeal Chair and the Chair will render a decision within no more than five (5) business days, barring exigent circumstances. All decisions apply the preponderance of the evidence.

A Notice of Appeal Outcome will be sent to all parties simultaneously. The Notice of Appeal Outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, any sanction(s) that may result which the School is permitted to share according to state or federal law, and the rationale supporting the essential findings to the extent the School is permitted to share under state or federal law.

Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official institutional records, or emailed to the parties' School-issued email or otherwise approved account. Once mailed, emailed and/or received in person, notice will be presumptively delivered.

#### **B. Sanctions Status during the Appeal**

Any sanctions imposed as a result of the hearing are stayed (i.e., not implemented) during the appeal process. Supportive measures may be reinstated, subject to the same supportive measure procedures above.

If any of the sanctions are to be implemented immediately post-hearing, but pre-appeal, then the emergency removal procedures (detailed above) for a show cause meeting on the justification for doing so must be permitted within 48 hours of implementation.

If the original sanctions include separation in any form, the School may place a hold on graduations, continued enrollment, etc., pending the outcome of an appeal. The Respondent may request a stay of these holds from the Title IX Coordinator within two (2) business days of the notice of the sanctions. The request will be evaluated by the Title IX Coordinator or designee, whose determination is final.

#### **C. Appeal Considerations**

- Appeals are not intended to provide for a full re-hearing (de novo) of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing and pertinent documentation regarding the specific grounds for appeal.
- Decisions on appeal are to be deferential to the original determination, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so.
- An appeal is not an opportunity for the Appeal Decision-Maker to substitute their judgment for that of the original Decision-Maker merely because they disagree with the finding and/or sanction(s).
- The Appeal Chair/Decision-Maker may consult with the Title IX Coordinator and/or legal counsel on questions of procedure or rationale, for clarification, if needed. Documentation of all such consultation will be maintained.
- Appeals granted should normally be remanded (or partially remanded) to the original Investigator and/or Decision-Maker for reconsideration.
- Once an appeal is decided, the outcome is final: further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new hearing).
- In rare cases where an error cannot be cured by the original Decision-Maker (as in cases of bias), the Appeal Chair/Decision-Maker may order a new investigation and/or a new hearing with new Pool members serving in the Investigator and Decision-Maker roles.
- The results of a remand to a Decision-Maker cannot be appealed. The results of a new hearing can be appealed (once) on any of the three available appeal grounds.
- In cases that result in reinstatement to the School or resumption of privileges, all reasonable attempts will be made to restore the Respondent to their prior status, recognizing that some opportunities lost may be irreparable in the short term.

### 38. LONG-TERM REMEDIES/OTHER ACTIONS

Following the conclusion of the Grievance Process, and in addition to any sanctions implemented, the Title IX Coordinator may implement additional long-term remedies or actions with respect to the parties and/or the institutional community that are intended to stop the harassment, discrimination, and/or retaliation, remedy the effects, and prevent reoccurrence.

These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Education to the individual and/or the community
- Permanent alteration of work arrangements for employees
- Climate surveys
- Policy modification and/or training
- Provision of transportation assistance
- Implementation of long-term contact limitations between the parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the discretion of the Title IX Coordinator, certain long-term support or measures may also be provided to the parties even if no policy violation is found.

When no policy violation is found, the Title IX Coordinator will address any remedies the School owes the Respondent to ensure no effective denial of educational access.

The School will maintain the confidentiality of any long-term remedies/actions/measures, provided confidentiality does not impair the School's ability to provide these services.

#### 39. FAILURE TO COMPLY WITH SANCTIONS AND/OR RESPONSIVE ACTIONS

All Respondents are expected to comply with the assigned sanctions, responsive actions, and/or corrective actions within the timeframe specified by the final Decision-Maker (including the Appeal Chair/Decision-Maker).

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/action(s), including suspension and/or termination from the School.

Supervisors are expected to enforce completion of sanctions/responsive actions for their employees.

A suspension will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator.

#### 40. RECORDKEEPING

The School will maintain for a period of at least seven years following the conclusion of the Grievance Process, records of:

1. Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under federal regulation
2. Any disciplinary sanctions imposed on the Respondent
3. Any remedies provided to the Complainant designed to restore or preserve equal access to the School's education program or activity
4. Any appeal and the result therefrom
5. Any Informal Resolution and the result therefrom
6. All materials used to train Title IX Coordinators, Investigators, Decision-Makers, and any person who facilitates an Informal Grievance Process. The School will make these training materials publicly available on the School's website.
7. Any actions, including any supportive measures, taken in response to a report or Formal Complaint of sexual harassment, including:
  - a. The basis for all conclusions that the response was not deliberately indifferent
  - b. Any measures designed to restore or preserve equal access to the School's education program or activity
  - c. If no supportive measures were provided to the Complainant, document the reasons why such a response was not clearly unreasonable in light of the known circumstances

The School will also maintain any and all records in accordance with state and federal laws.

#### 41. DISABILITY ACCOMMODATIONS IN THE GRIEVANCE PROCESS

The School is committed to providing reasonable accommodations and support to qualified Future Professionals, employees, or others with disabilities to ensure equal access to the School's Grievance Process.

Anyone needing such accommodations or support should contact the ADA/504 Coordinator, who will review the request and, in consultation with the person requesting the accommodation and the Title IX Coordinator, determine which accommodations are appropriate and necessary for full participation in the process.

#### 42. REVISION OF THIS POLICY AND PROCEDURES

This Policy and procedures supersede any previous policies addressing harassment, sexual misconduct, discrimination, and/or retaliation for incidents occurring on or after August 14, 2020, under Title IX and will be reviewed and updated annually by the Title IX Coordinator. The School reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

During the Grievance Process, the Title IX Coordinator may make minor modifications to procedures that do not materially jeopardize the fairness owed to any party, such as to accommodate summer schedules. The Title IX

Coordinator may also vary procedures materially with notice (on the institutional website, with the appropriate effective date identified) upon determining that changes to law or regulation require Policy or procedural alterations not reflected in this Policy and procedures.

If government laws or regulations change—or court decisions alter—the requirements in a way that impacts this document, this document will be construed to comply with the most recent government laws or regulations or court holdings.

This document does not create legally enforceable protections beyond the protections of the background state and federal laws which frame such policies and codes, generally.

This Policy and procedures are effective September 9, 2022.

## APPENDIX A: AN ATIXA FRAMEWORK FOR INFORMAL RESOLUTION (IR)

ATIXA has framed a process for IR that includes three options:

1. A response based on supportive measures
2. A response based on a Respondent accepting responsibility
3. A response based on Alternative Resolution, which could include various approaches and/or facilitation of dialogue

Alternative Resolution approaches such as mediation, restorative practices, and transformative justice are likely to be used more and more often by postsecondary institutions. ATIXA does not endorse these approaches as better or worse than other formal or informal approaches.

ATIXA believes that if they are to be used in and are effective for sex offenses, they need to be carefully and thoughtfully designed and executed and be facilitated by well-trained personnel who take the necessary time to prepare and lay a foundation for success. Although no approach is a panacea, the framework below can help to lay that foundation, regardless of the approach(es) used.

Here are the principles to be considered in supporting various approaches to Informal Resolution:

- IR can be applied in any sex/gender-based interpersonal conflict but may not be appropriate or advisable in cases involving violent incidents (sexual violence, stalking, domestic and dating violence, severe sexual harassment, sexual exploitation, etc.).
- Situations involving dangerous patterns or significant ongoing threat to the community should not be resolved by IR.
- The determination of whether to permit an IR-based resolution is entirely at the discretion of the Title IX Coordinator (TIXC) and in line with the requirements for IR laid out in the Title IX regulations.
- Any party can end IR early-, mid-, or late-process for any reason or no reason.
- IR can be attempted before and in lieu of formal resolution as a diversionary resolution (although a Formal Complaint must be filed if you are within 34 CFR § 106.30, per OCR).
- Alternative approaches can inform formal resolution, as in a formal resolution model infused with restorative practices.
- IR-based processes could be deployed after formal resolution, as an adjunct healing/catharsis opportunity (that could potentially mitigate sanctions or be a form of sanction).
- Alternative Resolution approaches to IR must be facilitated by the School or a third party. There may be value in creating clearly agreed-upon ground rules, which the parties must sign in advance and agree to abide by, otherwise the Informal Resolution process may be deemed to have failed.
- Technology-facilitated IR can be made available, should the parties not be able or willing to meet in person.
- If IR fails, a formal resolution can take place thereafter. Evidence elicited within the “safe space” of the IR facilitation could be later admissible in the formal resolution unless all parties determine it should not be. This will be clearly spelled out as a term of the decision to engage in the IR process.

- With cases involving violence, the preferred alternative approach typically involves a minimal number of essential parties and is not a restorative circle approach with many constituents, in order to ensure confidentiality.
- Some approaches require a reasonable gesture toward accountability (this could be more than an acknowledgment of harm) and some acceptance, or at least recognition, by the Respondent that catharsis is of value and likely the primary goal of the Complainant. A full admission by the Respondent is not a prerequisite. This willingness needs to be vetted carefully in advance by the TIXC before determining that an incident is amenable/appropriate for resolution by IR.
- IR can result in an accord or agreement between the parties (Complainant, Respondent, the School), which is summarized in writing by and enforced by the School. This can be a primary goal of the process.
- IR can result in the voluntary imposition of safety measures, remedies, and/or agreed-upon resolutions by the parties that are enforceable by the School. These can be part of the agreement.
- As a secondary goal, IR can result in the voluntary acceptance of “sanctions,” meaning that a Respondent could agree to withdraw, self-suspend (by taking a leave of absence), or undertake other restrictions/transfers/online course options that would help to ensure the safety/educational access of the Complainant, in lieu of formal sanctions that would create a formal record for the Respondent. These are enforceable by the School as part of the agreement, as may be terms of mutual release, non-disparagement, and/or non-disclosure.
- Although a non-disclosure agreement (NDA) could result from IR, it would have to be mutually agreed-upon by the parties in an environment of non-coercion verified by the TIXC.
- Institutions must develop clear rules for managing/facilitating the conference/meeting/dialogue of Alternative Resolution approaches to ensure they are civil, age-appropriate, culturally competent, reflective of power imbalances, and maximize the potential for the Grievance Process to result in catharsis, restoration, remedy, etc., for the Complainant(s).

## APPENDIX B: STATEMENT OF RIGHTS OF THE PARTIES

- The right to an equitable investigation and resolution of all credible allegations of prohibited harassment, discrimination, and/or retaliation made in good faith to School officials.

- The right to identify and have the Investigator, Advisors, and/or Decision-Maker question relevant available witnesses, including expert witnesses.

- The right to be informed of the names of all witnesses whose information will be used to make a finding, in advance of that finding, when relevant.
- The right to regular updates on the status of the investigation and/or resolution.

- The right to the use of the appropriate standard of evidence, preponderance of the evidence to make a Finding and Final Determination after an objective evaluation of all relevant evidence.
- The right to be present, including presence via remote technology, during all testimony given and evidence presented during any hearing.
- The right to have an impact and/or mitigation statement considered by the Decision-Maker following a determination of responsibility for any allegation, but prior to sanctioning.
- The right to be promptly informed of the finding(s) and sanction(s) (if any) of the Grievance Process and a detailed rationale of the decision (including an explanation of how credibility was assessed) in a written Notice of Outcome letter delivered simultaneously (without undue delay) to the parties.
- The right to be informed in writing of when a decision by the School is considered final and any changes to the Final Determination or sanction(s) that occur post Notification of Outcome.
- The right to be informed of the opportunity to appeal the finding(s) and sanction(s) of the Grievance Process, and the procedures for doing so in accordance with the standards for appeal established by the School.
- The right to a fundamentally fair resolution as defined in these procedures.

## APPENDIX C: ADMINISTRATIVE GRIEVANCE PROCEDURE

- This process is applicable when the Title IX Coordinator determines the Title IX Grievance Procedure is inapplicable, or offenses subject to the Title IX Grievance Procedure have been dismissed.
- If the Title IX Grievance Procedure is applicable, the Title IX Grievance Procedure must be applied in lieu of the Administrative Grievance Procedure.

### ADMINISTRATIVE GRIEVANCE PROCEDURE FOR ALLEGED VIOLATIONS OF THE EQUAL OPPORTUNITY, HARASSMENT, AND NONDISCRIMINATION POLICY

The School will act on any formal or informal allegation or notice of violation of the Equal Opportunity, Harassment and Nondiscrimination Policy that is received by the Title IX Coordinator,<sup>34</sup> an Official with Authority, or a Mandated Reporter.

The procedures described below apply to allegations of harassment, discrimination, and/or retaliation on the basis of protected characteristic status involving Future Professionals, employees, customers or service guests, vendors, or anyone else who does business with the School.

These procedures may also be used to address collateral misconduct arising from the investigation of or occurring in conjunction with harassing, discriminatory, or retaliatory conduct (e.g., vandalism, physical abuse of another). All other allegations of misconduct unrelated to incidents covered by this Policy will be addressed through the procedures elaborated in the respective School catalog or staff handbook.

## 1. INITIAL ASSESSMENT

Following intake, receipt of notice, or a complaint of an alleged violation of the School's Nondiscrimination Policy, the Title IX Coordinator<sup>35</sup> engages in an initial assessment, which is typically five (5) days in duration. The steps in an initial assessment can include:

- The Title IX Coordinator reaches out to the Complainant to offer supportive measures.
- The Title IX Coordinator works with the Complainant to ensure they have an Advisor.
- The Title IX Coordinator works with the Complainant to determine which of three options to pursue: A Supportive Response, an Informal Resolution, or an Administrative Resolution.
  - If a Supportive Response is preferred, the Title IX Coordinator works with the Complainant to identify their wishes and then seeks to facilitate implementation. An Administrative Grievance Process is not initiated, though the Complainant can elect to initiate it later, if desired.
  - If an Informal Resolution option is preferred, the Title IX Coordinator assesses whether the complaint is suitable for Informal Resolution, which informal mechanism may serve the situation best or is available and may seek to determine whether the Respondent is also willing to engage in Informal Resolution.
  - If an Administrative Resolution is preferred, the Title IX Coordinator initiates the investigation process and determines whether the scope of the investigation will address:
    - Incident
    - A potential pattern of misconduct
    - A culture/climate issue
- In many cases, the Title IX Coordinator may determine that a Violence Risk Assessment (VRA) should be conducted by relevant School officials as part of the initial assessment. A VRA can aid in ten critical and/or required determinations, including:
  - Interim suspension of a Respondent who is a threat to health/safety
  - Whether the Title IX Coordinator should pursue the Administrative Grievance Process absent a willing/ able Complainant
  - Whether to put the investigation on the footing of incident, pattern, and/or climate
  - To help identify potentially predatory conduct
  - To help assess/identify grooming behaviors
  - Whether a Complaint is amenable to Informal Resolution, and what modality may be most successful
  - Whether to permit a voluntary withdrawal by the Respondent
  - Whether to communicate with a transfer School about a Respondent
  - Assessment of appropriate sanctions/remedies
  - Whether a Clery Act Timely Warning/trespass order/persona non grata is needed.

Based on the initial assessment, the School will initiate one of these responses:

- **Supportive Response**—measures to help restore the Complainant's education access, as described in the Policy.
- **Informal Resolution**—typically used for less serious offenses and only when all parties agree to Informal Resolution, or when the Respondent is willing to accept responsibility for violating policy.
- **Administrative Resolution**—investigation of alleged policy violation(s) and recommended finding, subject to a determination by the Title IX Coordinator or Decision-Maker and the opportunity to appeal.

The investigation and the subsequent Administrative Resolution determine whether the Equal Opportunity, Harassment, and Nondiscrimination Policy has been violated. If so, the School will promptly implement effective remedies designed to end the discrimination, prevent recurrence, and address the effects.

The process followed considers the preference of the parties but is ultimately determined at the discretion of the Title IX Coordinator. If at any point during the initial assessment or formal investigation the Title IX Coordinator determines that reasonable cause does not support the conclusion that policy has been violated, the process will end and the parties will be notified.

The Complainant may request that the Title IX Coordinator review the reasonable cause determination and/or re-open the investigation. This decision lies in the sole discretion of the Title IX Coordinator, but the request is usually only granted in extraordinary circumstances.

## 2. GRIEVANCE PROCESS POOL

The Grievance Process relies on a pool of officials ("Pool") for implementation. Members of the Pool are trained annually in all aspects of the Grievance Process and can serve in any of the following roles, at the direction of the Title IX Coordinator:

- To provide sensitive intake for and initial advice pertaining to the allegations
- To act as optional process Advisors to the parties
- To facilitate Informal Resolution
- To investigate allegations
- To serve as a Decision-Maker
- To serve as an Appeal Decision-Maker

The Title IX Coordinator carefully vets Pool members for potential conflicts of interest or disqualifying biases and appoints the Pool, which acts with independence and impartiality.

Pool members receive annual training, including a review of School policies and procedures as well as applicable federal and state laws and regulations so that they are able to appropriately address allegations, provide accurate information to members of the community, protect safety, and promote accountability. This training includes, but is not limited to:

- The scope of the School's Equal Opportunity, Harassment, and Nondiscrimination Policy and Procedures
- How to conduct investigations and hearings that protect the safety of Complainants and Respondents and promote accountability
- Implicit bias
- Disparate treatment
- Reporting, confidentiality, and privacy requirements
- Applicable laws, regulations, and federal regulatory guidance
- How to implement appropriate and situation-specific remedies
- How to investigate in a thorough, reliable, timely, and impartial manner
- How to conduct a sexual harassment investigation
- Trauma-informed practices pertaining to investigations and Grievance Processes
- How to uphold fairness, equity, and due process
- How to weigh evidence
- How to conduct questioning
- How to assess credibility

### 3. COUNTERCLAIMS

Counterclaims by the Respondent may be made in good faith or may instead be motivated by a retaliatory intent. The School is obligated to ensure that any process is not abused for retaliatory purposes.

The School permits the filing of counterclaims, but uses the initial assessment, described above, to assess whether the allegations are made in good faith. If they are, the allegations will be processed using the resolution procedures below, typically after resolution of the underlying allegation. Counterclaims made with retaliatory intent will not be permitted.

A delay in the processing of counterclaims is permitted, accordingly. Occasionally, allegations and counterclaims can be resolved through the same investigation at the discretion of the Title IX Coordinator. When counterclaims are not made in good faith, they will be considered retaliatory, and may constitute a violation of this Policy.

### 4. ADVISORS

#### A. **Advisor Expectations**

The School generally expects an Advisor to adjust their schedule to allow them to attend School meetings when planned, but the School may change scheduled meetings to accommodate an Advisor's inability to attend, if doing so does not cause an unreasonable delay.

The School may also make reasonable provisions to allow an Advisor who cannot attend in person to attend a meeting by telephone, video conferencing, or other similar technologies as may be convenient and available.

Parties whose Advisors are disruptive or who do not abide by School policies and procedures may face the loss of that Advisor and/or possible Policy violations.

Advisors are expected to consult with their advisees without disrupting School meetings or interviews. Advisors do not represent parties in the process; their role is only to advise.

#### B. **Expectations of the Parties with Respect to Advisors**

Each party may choose an Advisor<sup>36</sup> who is eligible and available<sup>37</sup> to accompany them throughout the process. The Advisor can be anyone, including an attorney, but should not be someone who is also a witness in the process. A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout.

The parties are expected to inform the Investigators of the identity of their Advisor at least four (4) business days before the date of their first meeting with the Investigator (or as soon as possible if a more expeditious meeting is necessary or desired).

The parties are expected to provide timely notice to the Investigator and/or the Title IX Coordinator if they

change Advisors at any time.

Upon written request of a party, the School will copy the Advisor on all communications between the School and the party. The School provides a consent form that authorizes the School to share such information directly with a party's Advisor.

### C. **Assistance in Securing an Advisor**<sup>38</sup>

For representation, Respondents may wish to contact organizations such as:

- Families Advocating for Campus Equality (<http://www.facecampusequality.org>)
- Stop Abusive and Violent Environments (<http://www.saveservices.org>)

Complainants may wish to contact organizations such as:

- The Victim Rights Law Center (<http://www.victimrights.org>)
- The National Center for Victims of Crime (<http://www.victimsofcrime.org>), which maintains the Crime Victim's Bar Association
- The Time's Up Legal Defense Fund (<https://nwlc.org/times-up-legal-defense-fund/>)

## 5. RESOLUTION OPTIONS

Proceedings are private. All persons present at any time during the Grievance Process are expected to maintain the privacy of the proceedings in accord with School policy.

While there is an expectation of privacy around what is discussed during interviews, the parties have discretion to share their own experiences with others if they so choose but are encouraged to discuss with their Advisors first before doing so.

### A. **Informal Resolution**

Informal Resolution is applicable when the parties voluntarily agree to resolve the matter through Alternative Resolution mediation, restorative practices, facilitated dialogue, etc., when the Respondent accepts responsibility for violating Policy, or when the Title IX Coordinator can resolve the matter informally by providing remedies to resolve the situation. The Title IX Coordinator has discretion to determine whether an investigation will be paused or limited during Informal Resolution, or if it will continue during the Informal Resolution process.

It is not necessary to pursue Informal Resolution first in order to pursue Administrative Resolution, and any party participating in Informal Resolution can stop the process at any time and request the Administrative Grievance Process. Further, if an Informal Resolution fails after the resolution is finalized, Administrative Resolution may be pursued.

#### i. **Alternative Resolution**

Alternative Resolution is an informal process, such as mediation or restorative practices, by which the parties mutually agree to resolve an allegation. It may be used for less serious, yet inappropriate, behaviors and is encouraged as an alternative to the Administrative Grievance Process (described below) to resolve conflicts, as appropriate. The parties must consent to the use of Alternative Resolution.

The Title IX Coordinator determines whether Alternative Resolution is appropriate, based on the willingness of the parties, the nature of the conduct at issue, and the susceptibility of the conduct to Alternative Resolution.

In an Alternative Resolution, a trained administrator or third party facilitates communication among the

parties to an effective resolution, if possible. Institutionally imposed sanctions are not possible as the result of an Alternative Resolution process, though the parties may agree to accept sanctions and/ or appropriate remedies.

The Title IX Coordinator maintains records of any resolution that is reached, and failure to abide by the resolution can result in appropriate enforcement actions.

Alternative Resolution is not typically the primary resolution mechanism used to address reports of violent behavior of any kind or in other cases of serious violations of policy, though similarly structured conversations may be made available after the Administrative Grievance Process is completed should the parties and the Title IX Coordinator believe it could be beneficial. The results of Alternative Resolution are not appealable.

ii. **Respondent Accepts Responsibility for Alleged Violations**

The Respondent may accept responsibility for all or part of the alleged policy violations at any point during the Grievance Process. If the Respondent accepts responsibility, the Title IX Coordinator determines that the individual is in violation of School policy.

The Title IX Coordinator then determines appropriate sanction(s) or responsive actions, which are promptly implemented in order to effectively stop the harassment, discrimination, and/or retaliation; prevent its recurrence; and remedy the effects of the conduct, both on the Complainant and the community.

If the Respondent accepts responsibility for all of the alleged policy violations and the Title IX Coordinator or designee has determined appropriate sanction(s) or responsive actions, to which the Respondent agrees, and which are promptly implemented, the process is over. The Complainant will be informed of this outcome.

If the Respondent accepts responsibility for some of the alleged policy violations and the Title IX Coordinator has determined appropriate sanction(s) or responsive actions, to which the Respondent agrees, and which are promptly implemented for those violations, then the remaining allegations will continue to be investigated and resolved through Administrative Resolution. The parties will be informed of this outcome. The parties are still able to seek Alternative Resolution on the remaining allegations, subject to the stipulations above.

**B. Administrative Resolution via an Investigation and Hearing**

Administrative Resolution can be pursued at any time during the process for any behavior for which the Respondent has not accepted responsibility that would constitute conduct covered by the Equal Opportunity, Harassment, and Nondiscrimination Policy if proven. Administrative Resolution starts with a thorough, reliable, and impartial investigation.

If Administrative Resolution is initiated, the Title IX Coordinator will provide written notification of the investigation to the parties at an appropriate time during the investigation. Typically, notice is given at least 48 hours in advance of an interview. Advanced notice facilitates the parties' ability to identify and choose an Advisor, if any, to accompany them to the interview.

Notification will include a meaningful summary of the allegations, will be made in writing, and may be delivered by one or more of the following methods: in person or emailed to the parties' School-issued or designated email account.

Once emailed and/or received in person, notice will be presumptively delivered. The notification will include the policies allegedly violated, if known at the time. Alternatively, the policies allegedly violated can be provided at a later date, in writing, as the investigation progresses and details become clearer.

The School aims to complete all investigations within a sixty (60) business-day time period, which can be extended as necessary for appropriate cause by the Title IX Coordinator, with notice to the parties as appropriate. Investigations can take weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, police involvement, etc.

Once the decision is made to commence an investigation, the Title IX Coordinator appoints Pool members to conduct the investigation, usually within five (5) business days of determining that an investigation should proceed.

The Title IX Coordinator will vet the assigned Investigator to ensure impartiality by ensuring there are no conflicts of interest or disqualifying bias.

The parties may, at any time during the Grievance Process, raise a concern regarding bias or conflict of interest, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another Investigator will be assigned and the impact of the bias or conflict, if any, will be remedied. If the bias or conflict relates to the Title IX Coordinator, concerns should be raised with Jackie Cooper.

The School will make a good faith effort to complete the investigation as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

The School may undertake a short delay in its investigation (several days to weeks, to allow evidence collection) when criminal charges based on the same behaviors that invoke the School's Grievance Process are being investigated by law enforcement. The School will promptly resume its investigation and Grievance Process once notified by law enforcement that the initial evidence collection process is complete.

School actions are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

Investigations involve interviewing all relevant parties and witnesses; obtaining available, relevant evidence; and identifying sources of expert information, as necessary.

All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence, and to fully review and respond to all evidence on the record.

## **6. INVESTIGATION**

The Investigators typically take the following steps, if not already completed (not necessarily in this order):

- Determine the identity and contact information of the Complainants
- In coordination with School officials (e.g., the Title IX Coordinator), initiate or assist with any necessary supportive measures.
- Identify all policies implicated by the alleged misconduct.
- Assist the Title IX Coordinator with conducting an initial assessment to determine whether there is reasonable cause to believe the Respondent has violated policy.

- If there is insufficient evidence to support reasonable cause, the process is closed with no further action.
- Commence a thorough, reliable, and impartial investigation by developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for all parties and witnesses.
- Meet with the Complainant to finalize their statement, if necessary.
- Prepare the initial Notice of Investigation and Allegations (NOIA) on the basis of the initial assessment.
- Notice may be one step or multiple steps, depending on how the investigation unfolds, and potential policy violations may be added or dropped as more is learned. Investigators will update the NOIA accordingly and provide it to the parties.
- Notice should inform the parties of their right to have the assistance of an Advisor of their choosing present for all meetings attended by the advisee.
- When formal notice is given, it should provide the parties with a written description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable procedures, and a statement of the potential sanctions/responsive actions that could result.
- Give an instruction to the parties to preserve any evidence that is directly related to the allegations.
- Provide the parties and witnesses with an opportunity to review and verify the Investigator's summary notes from interviews and meetings with that specific party or witness.
- Make good faith efforts to notify each party of any meeting or interview involving another party, in advance when possible.
- Interview all relevant individuals and conduct follow-up interviews as necessary.
- Allow each party the opportunity to suggest questions they wish for the Investigator to ask the other party and witnesses.
- Complete the investigation promptly and without unreasonable deviation from the intended timeline.
- Provide regular status updates to the parties throughout the investigation.
- Prior to the conclusion of the investigation, summarize for the parties the list of witnesses whose information will be used to render a finding.
- Write a comprehensive investigation report fully summarizing the investigation and all evidence.
- Provide the parties with a copy of the draft investigation report when it is completed, including all relevant evidence, analysis, credibility assessments, and recommended finding(s).
- Provide each party with a full and fair opportunity to respond to the report in writing within five (5) business days and incorporate that response, if any, into the report.
- Investigators may choose to respond in writing in the report to the responses of the parties, and/or to share the responses between the parties for their responses, while also ensuring that they do not create a never-ending feedback loop.
- Share the report with the Title IX Coordinator or legal counsel for review and feedback.
- Gather, assess, and synthesize evidence without making a finding, conclusion, determination, or recommendation.
- Provide the final report to the Title IX Coordinator

## **7. DETERMINATION**

Within four (4) business days of receiving the Investigator's recommendation, a trained Decision-Maker reviews the report and all responses, and then makes the final determination on the basis of the preponderance of the evidence. If the record is incomplete, the Decision-Maker may direct a re-opening of the investigation, or may direct or conduct any additional inquiry necessary, including informally meeting with the parties or any witnesses, if needed.

The investigation recommendation, if any, should be strongly considered but is not binding on the Decision-maker. The Decision-Maker may invite and consider impact and/or mitigation statements from the parties if and when determining appropriate sanction(s), if any.

## **8. ADDITIONAL DETAILS OF THE INVESTIGATION PROCESS**

### **A. Witness Responsibilities**

Witnesses (as distinguished from the parties) who are School faculty or staff are required to cooperate with and participate in the School's investigation and Grievance Process. Failure of a witness to cooperate with and/or participate in the investigation or Grievance Process constitutes a violation of Policy and may be subject to discipline.

### **B. Remote Processes**

Parties and witnesses may be interviewed remotely by phone, video conferencing, or similar technologies if the Investigator and/or Decision-Maker determine that timelines, efficiency, or other causes dictate a need for remote interviewing. Witnesses may also provide written statements in lieu of interviews, or respond to questions in writing, if deemed appropriate by the Investigator, though this approach is not ideal. When remote technologies are used, the School makes reasonable efforts to ensure privacy and ensures that any technology does not work to the detriment of any party or subject them to unfairness.

### **C. Recording**

No unauthorized audio or video recording of any kind is permitted during the Grievance Process, including investigation interviews. If the Investigator elects to audio and/or video record interviews, all involved parties must be made aware of and consent to audio and/or video recording.

### **D. Evidence**

Any evidence that is relevant and credible may be considered, including an individual's prior misconduct history as well as evidence indicating a pattern of misconduct, subject to the limitation in (E) below. The process should exclude irrelevant or immaterial evidence and may disregard evidence lacking in credibility or that is improperly prejudicial.

### **E. Prior Sexual History/Patterns**

Unless the Decision-Maker determines it is appropriate, the investigation and the finding do not consider: (1) incidents not directly related to the possible violation(s), unless they evidence a pattern; (2) the irrelevant sexual history of the parties (though there may be a limited exception made with regard to the sexual history between the parties); (3) irrelevant character evidence.

### **F. Previous Allegations/Violations**

While previous conduct violations by the Respondent are not generally admissible as information supporting the current allegation, the Investigator may supply the Decision-Maker with information about previous good faith allegations and/or findings when that information suggests potential pattern and/or predatory conduct.

If the School uses a progressive discipline system, previous disciplinary action of any kind involving the Respondent may be considered in determining the appropriate sanction(s).

Character witnesses or evidence may be offered. The investigation and hearing will determine if the character evidence is relevant. If so, it may be considered. If not, it will be excluded.

#### **G. Notification of Outcome**

If the Respondent admits to the violation(s), or is found in violation, the Title IX Coordinator, in consultation with relevant School officials, determines sanction(s) and/or responsive actions, which are promptly implemented in order to effectively stop the harassment, discrimination, and/or retaliation; prevent its recurrence; and remedy the effects of the discriminatory conduct, both on the Complainant and the community.

The Title IX Coordinator informs the parties of the determination within four (4) business days of the resolution, ideally simultaneously, but without significant time delay between notifications. Notifications are made in writing and may be delivered by one or more of the following methods: in person or emailed to the parties' School-issued or designated email account. Once emailed and/or received in person, notice is presumptively delivered.

The Notification of Outcome specifies the finding for each alleged policy violation, any sanction(s) that may result which the School is permitted to share pursuant to state or federal law, and the rationale supporting the findings to the extent the School is permitted to share under state or federal law.

The notice will detail when the determination is considered final (See Section 11) and will detail any changes that are made prior to finalization.

Unless based on an acceptance of violation by the Respondent, the determination may be appealed by either party. The Notification of Outcome also includes the grounds on which the parties may appeal and the steps the parties may take to request an appeal of the findings. More information about the appeal procedures can be found in Section 11.

### **9. SANCTIONS**

Factors considered when determining a sanction/responsive action may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination, harassment, and/or retaliation
- The need to remedy the effects of the discrimination, harassment, and/or retaliation on the Complainant and the community
- The impact on the parties
- Any other information deemed relevant by the Decision-Maker

The sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.

The sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed, by external authorities.

If it is later determined that a party or witness intentionally provided false or misleading information, that action could be grounds for re-opening a Grievance Process at any time, and/or referring that information to another process for resolution.

#### **A. Future Professional Sanctions**

The following are the common sanctions that may be imposed upon Future Professionals singly or in combination:

- *Coaching*: A formal statement that the conduct was unacceptable and a warning that further violation of any School policy, procedure, or directive will result in more severe sanctions/responsive actions.

- *Suspension:* Termination of Future Professional status for a definite period of time not to exceed two years and/or until specific criteria are met.
- *Termination:* Permanent termination of Future Professional status and revocation of rights to be on campus for any reason or to attend School-sponsored events.
- *Other Actions:* In addition to or in place of the above sanctions, the School may assign any other sanctions as deemed appropriate.

#### **B. Employee Sanctions/Responsive/Corrective Actions**

Responsive actions for an employee who has engaged in harassment, discrimination, and/or retaliation include:

- *Verbal or Written Warning*
- *Performance Improvement Plan/Management Process*
- *Enhanced Supervision, Observation, or Review*
- *Required Counseling*
- *Required Training or Education*
- *Probation*
- *Denial of Pay Increase/Pay Grade*
- *Loss of Oversight or Supervisory Responsibility*
- *Demotion*
- *Transfer*
- *Reassignment*
- *Assignment to New Supervisor*
- *Restriction of Stipends and/or Professional Development Resources*
- *Suspension/Administrative Leave with Pay*
- *Suspension/Administrative Leave without Pay*
- *Termination*
- *Other Actions:* In addition to or in place of the above sanctions/responsive actions, the School may assign any other responsive actions as deemed appropriate.

### **10. WITHDRAWAL OR RESIGNATION WHILE CHARGES ARE PENDING**

#### **A. Future Professionals**

Should a Future Professional withdraw with unresolved allegations pending, the School may place a hold, bar access to an official School record, and/or prohibit graduation as necessary to permit the Grievance Process to be completed.

#### **B. Employees**

Should an employee resign with unresolved allegations pending, the records of the Title IX Coordinator will reflect that status, and any School responses to future inquiries regarding employment references for that individual will include the former employee's unresolved status and whether the employee is eligible for rehire.

### **11. APPEALS**

All requests for appeal consideration must be submitted in writing to the Title IX Coordinator within five (5) business days of the delivery of the written finding of the Decision-Maker.

An Appeal Decision-Maker will be designated by the Title IX Coordinator and they will not have previously been involved in the process. Any party may appeal, but appeals are limited to the following grounds:

1. A procedural error or omission occurred that significantly impacted the outcome (e.g., substantiated bias, material deviation from established procedures, failure to correctly apply the evidentiary standard).

2. To consider new evidence, unknown or unavailable during the investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included in the appeal.

When any party requests an appeal, the Title IX Coordinator will share the appeal request with all other parties or other appropriate persons such as the Investigator, who may file a response within five (5) business days. Another party may also bring their own appeal on separate grounds.

If new grounds are raised, the original appealing party will be permitted to submit a written response to these new grounds within five (5) business days. These responses or appeal requests will be shared with each party. The Appeal Chair will review the appeal request(s) within seven (7) business days of completing the pre-appeal exchange of materials. If grounds are not sufficient for an appeal, or the appeal is not timely, the Appeal Chair dismisses the appeal.

When the Appeal Chair finds that at least one of the grounds is met by at least one party, additional principles governing the review of appeals include the following:

- Decisions by the Appeal Chair are to be deferential to the original decision, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is compelling justification to do so.
- Appeals are not intended to be full re-hearings (de novo) of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the investigation and pertinent documentation regarding the grounds for appeal.
- An appeal is not an opportunity for the Appeal Chair to substitute their judgment for that of the original Investigator or Decision-Maker merely because they disagree with the finding and/or sanction(s).
- Appeals granted based on new evidence should normally be remanded to the Investigator for reconsideration. Other appeals should be remanded at the discretion of the Appeal Chair.
- Sanctions imposed as the result of the Administrative Resolution are implemented immediately unless the Title IX Coordinator stays their implementation in extraordinary circumstances, pending the outcome of the appeal.
- All parties will be informed in writing within seven (7) business days of the outcome of the appeal without significant time delay between notifications, and in accordance with the standards for Notice of Outcome as defined above.
- Once an appeal is decided, the outcome is final; further appeals are not permitted, even if a decision or sanction is changed on remand.
- In rare cases when a procedural error cannot be cured by the original Investigator and/or Title IX Coordinator/ Decision-Maker (as in cases of bias), the Appeal Chair may recommend a new investigation and/or Administrative Grievance Process, including a new Decision-Maker.
- The results of a new Administrative Grievance Process can be appealed once, on any of the three applicable grounds for appeals.
- In cases in which the appeal results in Respondent's reinstatement to the School or resumption of privileges, all reasonable attempts will be made to restore the Respondent to their prior status, recognizing that some opportunities lost may be irreparable.

## **12. LONG-TERM REMEDIES/ACTIONS**

Following the conclusion of the Grievance Process, and in addition to any sanctions implemented, the Title IX Coordinator may implement additional long-term remedies or actions with respect to the parties and/or the institutional community that are intended to stop the harassment, discrimination, and/or retaliation; remedy the effects; and prevent reoccurrence.

These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Education to the individual and/or the community

- Permanent alteration of work arrangements for employees
- Climate surveys
- Policy modification and/or training
- Provision of transportation assistance
- Implementation of long-term contact limitations between the parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the discretion of the Title IX Coordinator, certain long-term support or measures may also be provided to the parties even if no policy violation is found.

When no policy violation is found, the Title IX Coordinator will address any remedies the School owes the Respondent to ensure no effective denial of educational access. The School will maintain the confidentiality of any long-term remedies/actions/measures, provided confidentiality does not impair the School's ability to provide these services.

### **13. FAILURE TO COMPLETE SANCTIONS/COMPLY WITH INTERIM AND LONG-TERM REMEDIES/RESPONSIVE ACTIONS**

All Respondents are expected to comply with conduct sanctions, responsive actions, and corrective actions within the timeframe specified by the Title IX Coordinator.

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s) and responsive/corrective action(s), including suspension and/or termination from the School. Supervisors are expected to enforce completion of sanctions/responsive actions for their employees.

A suspension will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator.

### **14. RECORDKEEPING**

In implementing this Policy, records of all allegations, investigations, resolutions, and hearings will be kept by the Title IX Coordinator indefinitely, or as required by state or federal law or institutional policy.

### **15. STATEMENT OF THE RIGHTS OF THE PARTIES (SEE APPENDIX B)**

### **16. DISABILITY ACCOMMODATION IN THE GRIEVANCE PROCESS**

The School is committed to providing reasonable accommodations and support to qualified Future Professionals, employees, or others with disabilities to ensure equal access to the School's Grievance Process. Anyone needing such accommodations or support should contact the ADA/504 Coordinator, who will review the request and, in consultation with the person requesting the accommodation and the Title IX Coordinator, determine which accommodations are appropriate and necessary for full participation in the process.

### **17. REVISION**

These policies and procedures will be reviewed and updated annually by the Title IX Coordinator. The School reserves the right to make changes to this document as necessary and once those changes are posted online, they are in effect.

The Title IX Coordinator may make minor modifications to these procedures that do not materially jeopardize the fairness owed to any party, such as to accommodate summer schedules.

The Title IX Coordinator may also vary procedures materially with notice (on the School's website, with the appropriate effective date identified) upon determining that changes to law or regulation require policy or procedural alterations not reflected in this policy and procedure.

Procedures in effect at the time of the resolution will apply to resolution of incidents, regardless of when the incident occurred.

Policy in effect at the time of the offense will apply even if the policy is changed subsequently but prior to resolution unless the parties consent to be bound by the current policy. If government regulations change in a way that impacts this document, this document will be construed to comply with the most recent government regulations.

This document does not create legally enforceable protections beyond the protection of the background state and federal laws which frame such policies and codes, generally.

This Policy and procedure was implemented on September 9, 2022.

## **APPENDIX D: ATIXA RECORD MAINTENANCE AND ACCESS MODEL POLICY**

### **POLICY SCOPE:**

This policy covers records maintained in any medium that are created pursuant to the School's Protected Class Nondiscrimination Policy and Procedures and/or the regular business of the School's Title IX Office. All such records are considered private or confidential by the Title IX Office, in accordance with FERPA and the directive from the Department of Education to maintain the confidentiality of records related to Title IX. These records may be shared internally with those who have a legitimate educational interest and will be shared with the parties to a complaint under applicable state and/or federal law, including the Title IX regulations, FERPA, and/or the Clery Act/VAWA § 304. The Title IX Coordinator controls the dissemination and sharing of any records under its control.

### **TYPES OF RECORDS COVERED UNDER THIS POLICY:**

Records pertaining to the Grievance Process. These records include, but are not limited to:

- Documentation of notice to the institution including incident reports
- Anonymous reports later linked to a specific incident involving known parties
- Any documentation supporting the initial assessment
- Investigation-related evidence (e.g., physical and documentary evidence collected and interview transcripts)
- Dismissal-related documentation
- Documentation related to the Grievance Process
- The final investigation report
- Remedy-related documentation
- Supportive measures-related documentation
- Hearing recordings and records
- Appeal-related documentation
- Informal Resolution records
- Notices of Outcome
- Records documenting that the School's response was not deliberately indifferent
- Any other records typically maintained by the Recipient as part of the case file

Specific examples of records pertaining to the Grievance Process may include, but are not limited to anonymous reports later identified; intake documentation; incident reports; the written complaint; the names of the Complainant, the Respondent; any witnesses; any relevant statements or other evidence obtained; interview notes or transcripts; timelines, flowcharts and other forms used in the investigation process; witness lists, correspondence, telephone logs, evidence logs, and other documents related to the processing of an investigation; correspondence relating to the substance of the investigation; supportive measures implemented on behalf of the Complainant or Respondent; actions taken to restrict/remove the Respondent; correspondence with the parties; medical, mental health, medical, and forensic record evidence obtained with consent during the course of the investigation; police reports; expert

sources used in consideration of the evidence; documentation of outcome and rationale; correspondence and documentation of the appeals process; documentation of any sanctions/discipline resulting from the Grievance Process; and documentation of reported retaliatory behavior as well as all actions taken to address these reports.

**Drafts and Working Files:** Preliminary drafts and “working files” are not considered records that must be maintained by the School, and these are typically destroyed during the course of an investigation or at the conclusion of the Grievance Process. They are preliminary versions of records and other documents that do not state a final position on the subject matter reviewed or are not considered to be in final form by their creator and/or the Title IX Coordinator. An example of a “working file” would be the Investigator notes made during one interview with topics the Investigator wants to revisit in subsequent interviews. Sole possession records maintained as such in accordance with FERPA are also included in this category. All drafts of investigation reports shared with the parties are maintained.

**Attorney Work-Product:** Communications from the Title IX Office or its designees with the School’s legal counsel may be work-product protected by attorney-client privilege. These communications are not considered records to be maintained by the Title IX Office or accessible under this policy unless the Title IX Coordinator, in consultation with legal counsel as necessary, determines that these communications should be included as accessible records.

#### RECORD STORAGE:

Records may be created and maintained in different media formats; this policy applies to all records, irrespective of format. All records created pursuant to the Policy, as defined above, must be stored in digital and/or paper format. The complete file must be transferred to the Title IX Office within fourteen (14) business days of resolution of the complaint (including any appeal), if the file is not already maintained within the Title IX Office. Security protocols must be in place to preserve the integrity and privacy of any parts of any record that are maintained in the Title IX Office during the pendency of an investigation.

The Title IX Office will store all records created pursuant to the Policy, regardless of the identities of the parties. Parallel records should not be maintained by other School officials. Any extra (non-essential) copies of the records (both digital and paper) must be destroyed.

A copy of records showing compliance with Clery Act requirements by Title IX personnel will be maintained along with the case file in the Title IX Office

The School will maintain an access log of each case file, showing when and by whom it was accessed, and for what purpose.

#### RECORD RETENTION:

All records created and maintained pursuant to the Policy must be retained indefinitely by the Title IX Office unless destruction or expungement is authorized by the Title IX Coordinator, who may act under their own discretion, or in accordance with a duly executed and binding settlement of claim, and/or by court or government order.

#### RECORD ACCESS:

Access to records created pursuant to the Policy or housed in the Title IX Office is strictly limited to the Title IX Coordinator and any individual the Coordinator authorizes in writing, at their discretion. Those who are granted broad access to the records of the Title IX Office are expected to only access records pertinent to their scope or work or specific assignment. Anyone who accesses such records without proper authorization may be subject to an investigation and possible discipline/sanction. The discipline/sanction for unauthorized access of records covered by this policy will be at the discretion of the appropriate disciplinary authority, consistent with other relevant School policies and procedures.

Future Professional parties may request access to their case file. The School will provide access or a copy within 45 days of the request. Appropriate redactions of personally identifiable information may be made before inspection or any copy is shared.

During the investigation, materials may be shared with the parties using secure file transmission software. Any such file will be watermarked by the Title IX Office before being shared, with the watermark identifying the role of the recipient in the process (Complainant, Respondent, Hearing Decision-Maker, Complainant's Advisor, etc.).

#### RECORD SECURITY:

The Title IX Coordinator is expected to maintain appropriate security practices for all records, including password protection; lock and key; and other barriers to access as appropriate. Record security should include protection from flood, fire, and other potential emergencies. Clothing, forensic, and other physical evidence should be securely stored. All physical evidence will be maintained in a facility that is reasonably protected from flood and fire. A catalog of all physical evidence will be retained with the case file.

BASED ON THE ATIXA 2021 ONE POLICY, TWO PROCEDURES MODEL.

<sup>1</sup>Some states have enacted requirements for providing the option to submit an anonymous report. Consult with legal counsel to determine if your state has such a requirement.

<sup>2</sup>For the purpose of this Policy, **privacy** means that information related to a complaint will be shared with a limited number of School employees who “need to know” in order to assist in the assessment, investigation, and resolution of the complaint. All employees who are involved in the School’s response to notice under this Policy receive specific training and guidance about sharing and safeguarding private information in accordance with state and federal law. The privacy of Future Professional education records will be protected in accordance with the Family Educational Rights and Privacy Act (FERPA), as outlined in the School’s Student Right of Access/FERPA policy. The privacy of employee records will be protected in accordance with Human Resources policies.

<sup>3</sup>20 U.S.C. 1232g

<sup>4</sup>34 C.F.R. § 99

<sup>5</sup>This includes the School’s employees’ work environment.

<sup>6</sup>This definition of hostile environment is based on Federal Register / Vol. 59, No. 47 / Thursday, March 10, 1994: Department of Education Office for Civil Rights, Racial Incidents and Harassment Against Students at Educational Institutions Investigative Guidance.

<sup>7</sup>This includes gender identity, gender expression, sexual orientation, and sex stereotypes.

<sup>8</sup>Implicitly or explicitly.

<sup>9</sup>Unwelcomeness is subjective and determined by the Complainant (except when the Complainant is younger than the age of consent). Severity, pervasiveness, and objective offensiveness are evaluated based on the totality of the circumstances from the perspective of a reasonable person in the same or similar circumstances (“in the shoes of the Complainant”), including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced. This definition is broad enough to potentially encompass forms of sex-based disparate treatment, even if not harassing in nature.

<sup>10</sup>A “sexual act” is specifically defined by federal regulations to include one or more of the following:

Rape:

- Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person,
- without their consent,
- including instances where they are incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

Sodomy:

- Oral or anal sexual intercourse with a Complainant,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

Sexual Assault with an Object:

- The use of an object or instrument to penetrate,
- however slightly,
- the genital or anal opening of the body of the Complainant,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or

Fondling:

- The touching of the private body parts of the Complainant (buttocks, groin, breasts),
- for the purpose of sexual gratification,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

<sup>11</sup>This would include having another person touch you sexually, forcibly, and/or without consent.

<sup>12</sup>34 U.S.C. 12291 defines “economic abuse” in the context of dating violence and domestic violence, as,

- a. behavior that is coercive, deceptive, or unreasonably controls or restrains a person’s ability,
- b. to acquire, use, or maintain economic resources to which they are entitled, including using coercion, fraud, or manipulation to:
  - i. restrict a person’s access to money, assets, credit, or financial information;
  - ii. unfairly use a person’s personal economic resources, including money, assets, and credit, for one’s own advantage; or
  - iii. exert undue influence over a person’s financial and economic behavior or decisions, including forcing default on joint or other financial obligations, exploiting powers of attorney, guardianship, or conservatorship, or failing or neglecting to act in the best interests of a person to whom one has a fiduciary duty.

<sup>13</sup>To categorize an incident as Domestic Violence under this Policy, the relationship between the Respondent and the Complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

<sup>14</sup>34 U.S.C. 12291 provides that “any form of technology” includes but is not limited to: internet enabled devices, cameras and imaging programs, apps, location tracking devices, or communication technologies, or any other emerging technologies.

- <sup>15</sup>The state definition of consent is [ ], which is applicable to criminal prosecutions for sex offenses in [State] but may differ from the definition used by the School to address policy violations
- <sup>16</sup>Bondage, discipline/dominance, submission/sadism, and masochism.
- <sup>17</sup>The School's Anti-Bullying Policy prohibits bullying not covered by this policy.
- <sup>18</sup>VAWA is the Violence Against Women Act, enacted in 1994 and codified in part at 42 U.S.C. sections 13701 through 14040.
- <sup>19</sup>Anywhere this procedure indicates "Title IX Coordinator," the School may substitute a trained designee.
- <sup>20</sup>Disability discrimination complaints involving Future Professionals will be processed using the School Policies and Procedures for Students with Disabilities.
- <sup>21</sup>If circumstances require, the Director, Managing Owner, or Title IX Coordinator will designate another person to oversee the Grievance Process should an allegation be made about the Coordinator or the Coordinator be otherwise unavailable, unable to fulfill their duties, or have a conflict of interest.
- <sup>22</sup>Per the 2020 Title IX regulations, recipients are prohibited from Informal Resolution of a complaint by a Future Professional against an employee.
- <sup>23</sup>These dismissal requirements are mandated by the 2020 Title IX Regulations, 34 CFR §106.45.
- <sup>24</sup>Such a Complainant is still entitled to supportive measures, but the Formal Grievance Process is not applicable unless the Title IX Coordinator signs the complaint in the event the Complainant cannot/will not do so.
- <sup>25</sup>"Available" means the party cannot insist on an Advisor who simply does not have inclination, time, or availability. Also, the Advisor cannot have conflicting roles, such as being a Title IX Coordinator who has an active role in the matter, or a supervisor who must monitor and implement sanctions.
- <sup>26</sup>Subject to the state law provisions or School policy above.
- <sup>27</sup>This is being provided for informational purposes and does not constitute the School's endorsement of any of the external individuals/organizations listed.
- <sup>28</sup>The parties may not want discussions that take place within Informal Resolution to be admissible in a later Formal Grievance Process, but essential facts must and do transfer from the informal process to the formal. Disclosing something in an informal setting to shield it from formal admissibility is a cynical strategy, so the School will take care in determining the terms of any assurances of the confidentiality of the Informal Resolution.
- <sup>29</sup>External, trained, third-party, neutral professionals may also be used to serve in Pool roles.
- <sup>30</sup>Unless an expedited hearing is agreed to by all parties.
- <sup>31</sup>The final investigation report may be shared using electronic means that preclude downloading, forwarding, or otherwise sharing.
- <sup>32</sup>34 C.F.R. § 668.46(k)(3)(B)(3) requires "timely and equal access to the accuser, the accused, and appropriate officials to any information that will be used during informal and formal disciplinary meetings and hearings."
- <sup>33</sup>If not conflicted out by previous involvement, the Title IX Coordinator may serve as the hearing facilitator/case manager.
- <sup>34</sup>All references herein to a Title IX Coordinator also include a designee of the Title IX Coordinator.

<sup>35</sup>If circumstances require, the Director, Managing Owner, or Title IX Coordinator will designate another person to oversee the process below should an allegation be made about the Coordinator or the Coordinator be otherwise unavailable or unable to fulfill their duties.

<sup>36</sup>This could include an attorney, advocate, or support person. Witnesses are not entitled to Advisors within the process, though they can be advised externally..

<sup>37</sup>“Available” means the party cannot insist on an Advisor who simply doesn’t have inclination, time, or availability. Also, the Advisor cannot have institutionally conflicting roles, such as being a Title IX administrator who has an active role in the matter, or a supervisor who must implement and monitor sanctions.

<sup>38</sup>This is being provided for informational purposes and does not constitute the School’s endorsement of any of the external individuals/organizations listed.

## **STUDENT BIOMETRIC INFORMATION PRIVACY POLICY**

Paul Mitchell the School - Norman records attendance in clock hours. To ensure proper clock hours are credited, students are required to clock in and out utilizing a biometric scanner in accordance with the CourseKey policy. Biometric scanners are computer-based systems that scan a student’s finger or facial identifier for purposes of identification. The computer system extracts unique data points and creates a unique mathematical representation used to verify a person’s identity. Paul Mitchell the School - Norman or its vendors may collect, retain, and use biometric data for the purpose of identifying students when recording clock hours.

### **BIOMETRIC DATA DEFINED**

In general, biometric data is “biometric identifiers” and “biometric information” as defined below. “Biometric identifier” means a retina or iris scan, fingerprint, voiceprint, or scan of hand or face geometry. Biometric identifiers do not include writing samples, written signatures, photographs, human biological samples used for valid scientific testing or screening, demographic data, tattoo descriptions, or physical descriptions such as height, weight, hair color, or eye color.

“Biometric information” means any information, regardless of how it is captured, converted, stored, or shared, based on an individual’s biometric identifier used to identify an individual. Biometric information does not include information derived from items or procedures excluded under the definition of biometric identifiers.

### **PURPOSE FOR COLLECTION OF BIOMETRIC DATA**

The School does not collect or store biometric data. At this time, the School’s third-party time clock vendor may collect and store an individual’s biometric identifier (for example, fingerprint or facial identifiers), solely for identification in connection with the use of the biometric time clock. The School’s third-party time clock vendor will retain biometric data of an only for so long as the person is an enrolled student. The biometric data shall be permanently removed from the records of the School’s vendors and licensors in accordance with the retention schedule set forth herein.

### **DISCLOSURE AND AUTHORIZATION**

Each student will be required to sign the Release and Consent to Use of Biometric Data as a condition of his/her enrollment with the School.

The School and its time clock vendors will not sell, lease, trade, or otherwise profit from students’ biometric data; provided, however, that the School’s time clock vendor will be paid for products or services used by the School that utilize such biometric data.

The School will not disclose or disseminate any biometric data to anyone other than its time clock vendors without first obtaining student's written consent to such disclosure or dissemination unless disclosure or redisclosure is required by state or federal law or municipal ordinance or required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

## RETENTION SCHEDULE

The School shall retain a student's biometric data only until, and shall require that its time clock vendors permanently destroy such data when, the first of the following occurs:

1. Within thirty (30) days after the initial purpose for collecting or obtaining such biometric data has been satisfied, such as the withdrawal or graduation of a student; or
2. Within 3 years of the student's last interaction with the School.

## DATA STORAGE

The School and its time clock vendors shall use a reasonable standard of care to store, transmit and protect from disclosure any paper or electronic biometric data collected. Such storage, transmission, and protection from disclosure shall be performed in a manner that is the same as or more protective than the way the School or its time clock vendors transmit and protect from disclosure other confidential and sensitive information, including personal information that can be used to uniquely identify an individual or an individual's account or property, such as driver's license numbers and social security numbers.

## ADDENDUM A: VETERAN AFFAIRS BENEFICIARY POLICIES

These Policies only apply to those students receiving VA Benefits. Students receiving VA benefits must enroll in the brick and mortar program, the VA will not provide benefits for the distance education program.

### SECTION 1: SATISFACTORY ACADEMIC & ATTENDANCE POLICY (SAP)

Students receiving Veterans education benefits must meet satisfactory academic progress (SAP) and attendance requirements in accordance with the school's SAP and Attendance policies in order to remain eligible to be certified for VA education benefits.

VA students on academic probation are considered to be maintaining satisfactory progress and will continue to be certified for education benefits with the U.S. Department of Veterans Affairs (VA), however, the VA will be notified if probation occurs.

If students fail to meet academic requirements while on probation, their enrollment certification will be terminated which may result in VA requiring students to repay a portion or all benefits received. Once benefits are terminated due to SAP or attendance, students are ineligible to be certified for VA education benefits until SAP is once again met or if students successfully appeal the decision for readmission.

### SECTION 2: PREVIOUS EDUCATION, TRAINING, AND MILITARY TRANSCRIPTS

We evaluate and accept up to 500 transfer hours, but only if certified. The length of the program will be shortened proportionately for students with transfer hours.

Students utilizing VA education benefits must provide all transcripts and records of previous education and training. We will evaluate these records and, when possible, grant appropriate credit for the previous education and/or training, shorten the length of the training program by accepting up to 500 transfer hours, and notify the student regarding the amount of credit being granted for previous training.
